Mr. Polk:

Per our correspondence please be advised that I am requesting reinstatement of CLEC authority 8813. I misunderstood correspondence from the Commission. Based on my personal misunderstanding, I directed Correspondence to the Commission requesting voluntary cancellation of our Certificate. The correspondence from the Commission advised the respondent to communicate with the Commission only if requesting cancellation.

Therefore, I am requesting the Commission to instate the aforementioned Certificate of Authority No 8813.

Thank you for your time, and your gracious assistance in this matter.
