Don Suarez said about a year and a half ago the name changed to Pensacola Energy. You can change it in MCD. Thanks.

Subject: GS021 - Energy Services of Pensacola

Good morning Rick. Do you still work with the "Gas" entities, if so, maybe you could confirm this for me or direct me to who could help. I notice in today's clips under the article,

Century, Pensacola Bicker Over Natural Gas Franchise; Pcola Energy Threatens To Cut Off Schools, it mentions that Pensacola Energy, formerly known as Energy Services of Pensacola, currently provides natural gas service. We have them listed in the Gas Safety list as **Energy Services of Pensacola** now and we have not been advised to update/change their name. Could you verify that we need to make the update to their name and also that their information we currently have listed in MCD (see below,) is still correct:

Address: Mr. Don J. Suarez, Director
1625 Atwood Drive, Pensacola, FL 32514-7505

1st liaison: Alvin G. Coby, City Administrator

Phone: (850) 435-1601

Fax: (850) 435-1611

Email: (None, but if you have it we would like to have it to enter into in

MCD.)

2nd liaison: Don J. Suarez, Director

Phone: (850) 474-5316

Fax: (850) 474-5331

Email: dsuarez@pensacola.fl.us

If any of the above information is incorrect, please furnish the new information and I will make all of the necessary correction.

Thanks for your help and have a nice weekend.
