Hey Dorothy! We received notice from the company that in the request to establish docket I did not state the company's full legal name of "EarthLink Business, LLC" as it should have been stated. I did check this against the Florida Department of State and the name of the docket title should read, Request for approval of name change on Certificate No. 7281 from New Edge Network, Inc. d/b/a EarthLink Business to EarthLink Business, LLC. Could you please make that change to the title for me to avoid any future problems? Thanks so much!

Catherine

Thank you. I note that the docket doesn't use the company's full legal name "EarthLink Business, LLC" and want to be sure that when the memo is issued regarding the name change it does reflect the full legal name.
