

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Commission review of numeric
conservation goals (JEA).

DOCKET NO. 130203-EM
ORDER NO. PSC-14-0276A-PCO-EM
ISSUED: May 30, 2014

AMENDATORY ORDER

On May 29, 2014, Order No. PSC-14-0276-FOF-EM granting JEA motion for leave to file revised direct panel testimony and revised exhibits was issued. The Order contains two scrivener's errors which require clarification and correction.

The first scrivener's error occurred in the Notice of Further Proceedings or Judicial Review on page 3 of 3 of the order. It incorrectly stated that the order was a final action by the Commission. To the contrary, the Order is procedural in nature. Therefore, Order No. PSC-14-0276-FOF-EM has been amended to reflect the correct Notice of Further Proceedings or Judicial Review. The Notice is included as Attachment A to this Order.

The second scrivener's error in the Order occurred on page 2 of 3. The signature block incorrectly stated that the Prehearing Officer, Commissioner Ronald Brisé, is the Commission Chair. Therefore, the signature block shall be amended by deleting the reference to "Chairman."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. PSC-14-0276-FOF-EM is hereby amended as set forth in the body of this Order. It is further

ORDERED that Order No. PSC-14-0276-FOF-EM is reaffirmed in all other respects.

By ORDER of the Florida Public Service Commission this 30th day of May, 2014.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
