

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Request for confidential classification of document request responses and portions of staff's audit report entitled Review of the Payment Arrangement Programs Offered by the Florida Electric Industry by Duke Energy Florida, Inc.

DOCKET NO. 120243-EI
ORDER NO. PSC-14-0378-CFO-EI
ISSUED: July 21, 2014

ORDER GRANTING DUKE ENERGY FLORIDA INC.'S
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF
DOCUMENT NO. 07516-12

On May 23, 2014, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Duke Energy Florida, Inc., (DEF) filed its first request for extension of confidential classification (Request) contained in the Florida Public Service Commission's (Commission) Review of the Payment Arrangement Programs (Document No. 07516-12).

Request for Confidential Classification

DEF's original request for confidential treatment of information was granted by Order No. PSC-12-0630-CFO-EI, issued November 26, 2012. DEF asserts that the information that was the subject of Order No. PSC-12-0630-CFO-EI warrants continued treatment as proprietary and confidential business information.

DEF contends that the information identified in Document No. 07516-12 contains sensitive business information such as DEF's internal payment arrangement guidelines and procedures entitled to protection under Section 366.093, F.S., and Rule 25-22.006(3), F.A.C. DEF avows that this information is intended to be and is treated as confidential by DEF and that the information has not been disclosed to the public.

In Revised Exhibit D to the Request, DEF also asserts that absent confidentiality, this information could affect customers' behaviors pertaining to payment arrangement programs and how they do business with the company. Further, according to DEF, without measures to maintain the confidentiality of its internal policies and procedures, the interests of DEF and its customers would be impaired.

Ruling

Section 366.093(1), F.S., provides that records that the Commission has found to contain proprietary confidential business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that

disclosure of the information would cause harm to the company's ratepayers or business operations, and that has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides, in pertinent part, that proprietary confidential business information includes, but is not limited to:

- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3)(e), F.S., for continued classification as proprietary confidential business information. The information constitutes "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." Thus, the information in Document No. 07516-12 shall be granted extended confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless DEF or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner, Julie I. Brown, as Prehearing Officer, that Duke Energy Florida, Inc.'s First Request for Extension of Confidential Classification of Document No. 07516-12 is granted. It is further

ORDERED that the information contained in Document No. 07516-12, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein. It is further

ORDERED that this docket shall be closed.

By ORDER of Commissioner Julie I. Brown, as Prehearing Officer, this 21st day of July, 2014.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
