Dear Commissioners:

Please accept this letter as a request to re-establish the ability to obtain initial deposits from customers. Since the name change in 2006, I have been unable to collect deposits due to an apparent Scribner error by the Commission (the deposit amounts in my application were not transferred to the tariff when the change was approved).

Not having the ability to charge a deposit, especially to tenants, has cost me plenty of revenue.

I am including my previously approved deposit forms and my July Billing Register from which I obtained my average charges. When computing the deposit, please consider that this is the lowest month of usage and least amount of customers in the community. I feel strongly that the \$100 for MF and \$150 for SF are still good amounts.

I am in hopes of getting this on the October meeting.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

s/ R. Greg Harris
