Re: Notice of Termination for "Agreement for Purchase of As-Available and/or Parallel Operation with a Qualifying Facility" dated March 21st, 2010 ("Sumter Agreement");

Dear Mr. Gammon,

National Solar Power Partners, LLC respectfully submits this Notice of Termination letter regarding the original Sumter County "Agreement for Purchase As-Available Energy and/or Parallel Operation with a Qualifying Facility"; signed March 21st, 2010.

At this time Sumter County does not appear to have the proper criterion necessary for development of solar farming activities. If in the future these requirements change or are modified we may reconsider this county.
