In re: Environmental cost recovery clause.

DOCKET NO. 140007-EI
ORDER NO. PSC-14-0485-CFO-EI
ISSUED: September 12, 2014

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 03216-14, X-REF. DOCUMENT NO. 02755-14)

On June 23, 2014, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power and Light Company (FPL) filed a request for confidential classification (Request) of certain materials provided to the Florida Public Service Commission (Commission) staff pursuant to Audit Control No 14-010-4-1 (Document No. 03216-14, x-ref. Document No. 02755-14). On August 14, 2014, FPL filed a corrected Exhibit C to its Request (Corrected Exhibit C).

Request for Confidential Classification

FPL contends that the information, identified with specific justification in Corrected Exhibit C of its Request, constitutes proprietary confidential business information entitled to protection under Section 366.093(3), F.S., and Rule 25-22.006, F.A.C. FPL asserts that information is intended to be, and is treated by FPL as private, and has not been publicly disclosed.

FPL asserts that the documents contain business information concerning FPL's and Georgia Power's competitive interests, the disclosure of which would impair the competitive business of FPL, Georgia Power and their vendors. FPL argues that the information is entitled to confidential classification pursuant to Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears that the information described above satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above and in Corrected Exhibit C, attached to FPL's Request, appears to be information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Thus, the information identified in Document No. 03216-14, x-ref. Document No. 02755-14, shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

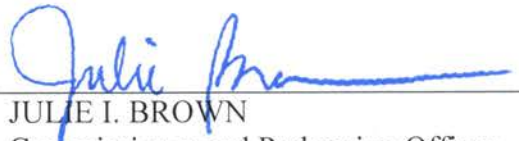

Based on the foregoing, it is hereby

ORDERED by Commissioner Julie I. Brown, as Prehearing Officer, that Florida Power & Light Company's Request for Confidential Classification of Document No. 03216-14, x-ref. Document No. 02755-14, is granted. It is further

ORDERED that the information in Document No. 03216-14, x-ref. Document No. 02755-14, for which confidential classification has been granted shall remain protected from disclosure for a period of up to 18 months from the date of the issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Julie I. Brown, as Prehearing Officer, this 12th day of September, 2014.
