Although no specific issue or issues were ever agreed to on this topic, FIPUG and Walmart/Sam's each filed testimony on September 5, 2014, proposing "opt-out" provisions that would allow large non-residential customers to avoid helping fund conservation programs that benefit all customers, including large non-residential customers. Tampa Electric will address the deficiencies of these proposals in its rebuttal testimony.

DATED this 12th day of September 2014.

Respectfully submitted,
