Jeff,

Per your request below, we have updated the docket title to reflect the IURC elements of the agreement and to include CenturyLink's d/b/a "Embarq Communications." We have also changed the company code in the utilities from TX866 to TX273. If you have any questions, please give me a call or e-mail me.

Dorothy, please change the docket title for this to include "interconnection, unbundling, resale, and collocation".

In addition, I believe the correct CLEC company/utility code for this ICA is TX273 (CenturyLink Communications, LLC d/b/a Embarq Communications) and should be indicated in the list of utilities instead of TX866 (Embarq Communications, Inc. d/b/a CenturyLink Communications) and replaced in the docket title.
