**RE:** Docket No. 140001- Fuel and Purchased Power Cost Recover Clause with  
Generating Performance Incentive Factor

---

On Monday, October 13, 2014, I attended the "Emerging Issues Policy Forum." Public Counsel, J.R. Kelly, was a speaker on one of the forum panels. While on the panel, Mr. Kelly expressed his opinion that he was "not buying into the idea of utilities investing in natural gas exploration." I did not respond nor did I make any comments about this issue. Since Mr. Kelly's comment may be relevant to the issues before the Commission in Docket No. 140001-EI, *In Re: Fuel and Purchased Power Cost Recovery Clause with Generating Performance Incentive Factor*, in an abundance of caution, I am hereby disclosing the communication for the record. Accordingly, please disseminate this memo to all parties of record.
