Thank you for the clarification, Martha. We will move DN 06201-14 from Docket 140007 to Docket 140001 per your request below. As an FYI, the corrected version of DN 06201-14 was filed in Docket 140001 by FIPUG and has been assigned DN 06202-14.

Hi Dorothy,

The FIPUG motion was filed in the wrong docket. In Docket 140007-EI it is document No. 06201-14. The motion belongs in 140001-EI. I understand that a "corrected" motion was filed showing the '01 docket number. Please transfer Document 06201-14 to the '01 docket if that will clarify the matter. Thanks!
