Re: Status of proposed sale to FGUA.

Dear Mr. Smallridge.

As you are aware, the Public Service Commission has maintained an interest in the status of the proposed sale of the Four Points Utility Corporation's water and wastewater system to the Florida Governmental Utility Authority, (FGUA). At this time we would appreciate an update on the status of the proposed sale and an estimate of the time until the sale is consummated or rejected.

If you have any questions or concerns please feel free to contact our office at any time. In the mean time we appreciate your assistance in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael Lawson".
