In re: Fuel and Purchased Power Clause with
Generating Performance Incentive Factor

Docket No: 140001-EI
Date: November 21, 2014

**FLORIDA POWER AND LIGHT COMPANY'S REQUEST FOR
CONFIDENTIAL CLASSIFICATION OF CERTAIN MATERIAL PROVIDED
IN FLORIDA POWER & LIGHT COMPANY'S
ERRATA TO THE TESTIMONY OF WITNESS SAM FORREST**

Pursuant to Section 366.093, Florida Statutes (2013), and Rule 25-22.006, Florida Administrative Code (2013), Florida Power & Light Company ("FPL") submits its Request for Confidential Classification of certain material provided in FPL's Errata to the testimony of witness Sam Forrest. In support of its request, FPL states as follows:

1. On November 17, 2014, FPL filed its Errata Sheet for Exhibit SF-4 to the June 25, 2014 testimony of witness Sam Forrest. Also On November 17, 2014, FPL filed a Notice of Intent to Request Confidential Classification of certain material referenced in the Errata to the testimony of witness Sam Forrest. Pursuant to Rule 25-22.006(3)(a), Florida Administrative Code, FPL has 21 days from the date of the Notice of Intent to file a formal request for confidential classification. Accordingly, FPL is filing this Request for Confidential Classification to maintain continued confidential handling of the information contained in the documents produced with FPL's Errata to the testimony of FPL witness Sam Forrest.

2. The following exhibits are included with, and made part of this request:
- a. Exhibit A consists of a copy of the confidential material on which all information that FPL asserts is entitled to confidential treatment has been highlighted.

- b. Exhibit B consists of the confidential material, on which all information that FPL asserts is entitled to confidential treatment has been redacted.
- c. Exhibit C is a table containing a column-by-column and line-by-line identification of the information for which confidential treatment is sought and references to the specific statutory basis or bases for the claim of confidentiality and to the affidavits in support of the requested classification.
- d. Exhibit D consists of the affidavit of Sam Forrest.

3. FPL submits that the highlighted information in Exhibit A is proprietary and confidential business information within the meaning of Section 366.093(3), F.S. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, F.S., such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As the affidavit included in Exhibit D indicates, the documents and materials included in Exhibits A and B, and identified in Exhibit C contain proprietary confidential business information, including information concerning bids or other contractual data. Disclosure of this information would violate nondisclosure provisions of FPL's contracts with certain vendors and impair the efforts of FPL or its affiliates to contract for goods or services on favorable terms. This information is protected by Section 366.093(3)(d), F.S. In addition, this

information relates to competitive interests, the disclosure of which would impair the competitive business of FPL, its affiliates or its vendors. Specifically, the documents contain information regarding gas reserves agreements. Such information is protected pursuant to Section 366.093(3)(e), F.S.

5. Upon a finding by the Commission that the information highlighted in Exhibit A, and referenced in Exhibits B, C and D is proprietary confidential business information, the information should not be declassified for a period of at least eighteen (18) months and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. See § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted this 21st day of November, 2014.

and General Counsel - FPL

AFFIDAVIT OF SAM FORREST

BEFORE ME, the undersigned authority, personally appeared Sam Forrest who, being first duly sworn, deposes and says:

1. My name is Sam Forrest. I am currently employed by Florida Power & Light Company ("FPL") as Vice President of the Energy Marketing and Trading ("EMT") Business Unit. My business address is 700 Universe Boulevard, Juno Beach, Florida 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the documents that are included in Florida Power & Light Company's ("FPL") Request for Confidential Classification concerning information provided with its Petition for Prudence Determination Regarding Acquisition of Gas Reserves for which I am identified on Exhibit C as the affiant. The documents and materials that I have reviewed contain proprietary confidential business information, including information concerning bids or other contractual data. Disclosure of this information would violate nondisclosure provisions of FPL's contracts with certain vendors and impair the efforts of FPL or its affiliates to contract for goods or services on favorable terms. In addition, this information relates to competitive interests, the disclosure of which would impair the competitive business of FPL, its affiliates or its vendors. Specifically, the documents contain information regarding gas reserves agreements. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
