Re: Voluntary Cancellation of Certificate No. 8398 for Vodafone US Operations Inc.
(Company Code TA069)

Dear Ms. Stauffer:

Vodafone US Operations Inc. ("VUSO") hereby requests that the Florida Public Service Commission ("Commission") cancel the above-referenced alternative access vendor certificate effective immediately.

VUSO was granted an alternative access vendor certificate on November 10, 2003 in Docket No. 030841.¹ The certificate was granted in the name of Cable and Wireless Americas Operations, Inc. ("CWAO"), and on April 3, 2014 CWAO notified the Commission of the Company's name change to Vodafone US Operations Inc.

At the time VUSO obtained its certification it had subscribers in Florida receiving regulated services. The services VUSO currently provides in Florida are interstate in nature and therefore are not regulated by the Commission. VUSO does not provide any regulated services in Florida. The interstate services VUSO currently provides are not subject to Commission regulation therefore VUSO does not need an alternative access vendor certificate. Moreover, the public interest will not be harmed by this certification surrender filing. The surrender of VUSO's certification will not reduce the number of intrastate telecommunications service providers in Florida nor have any other negative impacts on the market for regulated telecommunications services. Accordingly, VUSO requests immediate cancellation of its certificate and tariff.

¹ *In re: Application for certificate to provide alternative access vendor services by Cable & Wireless Americas Operations, Inc.*, Docket No. 030841-TA, *Consummating Order*, Order No. PSC-03-1273-CO-TA (Nov. 10, 2003).

Should there be any questions with respect to this filing, please contact me at (202) 342-8614 or via email at dsmith@kelleydrye.com.

Respectfully submitted,

s/ Denise Smith
