Chairman Graham,

Earlier this month, your staff released recommendations relating to the proposed rule on the water/wastewater customer revocation statute. This rule will implement Senate Bill 272 that passed during the 2014 Session. My understanding is that you will review these recommendations on Thursday, December 18.

The Office of Public Counsel (OPC) submitted comments on this issue. As the author of the law that is being implemented, I wanted to ensure that the commission was aware that the OPC's comments directly reflect the legislative intent with which this statute was written and respectfully request that the commission carefully review the staff recommendations that differ from OPC's comments. Thank you for your consideration.

Regards,
