Re: Docket No. 150012-WU – Application for transfer of Certificate 390-W from County-Wide Utility Co., Inc. to Southwest Ocala Utility, Inc. in Marion County.

Dear Mr. Leeward,

Commission staff has reviewed the application for transfer submitted on January 2, 2015, on behalf of County-Wide Utility (Utility). After reviewing this information we find the application to be deficient. The specific deficiency is identified as:

1. **Assets and Liabilities.** Rule 25-30.037(2)(g)(2), Florida Administrative Code, requires a list of and the dollar amount of the assets purchased and liabilities assumed or not assumed of non-regulated operations or entities. Please provide the total dollar amount of the specific assets listed in the Utility's response to staff's first deficiency letter titled "Additional Asset and Liability Information for Exhibit B."

Your application will not be deemed filed until the deficiency identified in this letter has been corrected. This correction should be submitted no later than June 8, 2015.

Sincerely,

/s/ John Villafrate
