Important Meeting Notice in Docket No. 140186-WU**

Your statutory representative, the Florida Office of Public Counsel, would like to meet with you on the following dates:

**Tuesday, September 8<sup>th</sup> at 6pm – Titusville Public Library**

**Tuesday, September 29<sup>th</sup> at 6pm – Titusville Public Library**

**Thursday, October 29<sup>th</sup> at 6pm – Mims Scottsmoor Public Library**

The purpose of these meetings is to discuss the reason for the recent increase in your water rates granted by the Florida Public Service Commission ("Commission") as well as the utility's proposal to replace the leaking water mains and services in your neighborhood and how this replacement project will be implemented.

The Commission requested that the Office of Public Counsel facilitate these meetings with you in order to explain the utility's proposal, and to receive customer input about the potential impact the replacement plan may have on your current water rates. These meetings also will discuss the location and replacement and the potential impact on any existing infrastructure on your property such as fences, out buildings, etc.

The first two meetings will be between the Customers of Brevard Waterworks, Inc. and the Office of Public Counsel – one to explain the rate impact of the utility's proposal and one to seek customer input. The third meeting will also include representatives from the utility and possibly Commission staff.

Your attendance at these meetings is encouraged. Please invite your neighbors to attend these important public meetings.
