**Subject:** Sandalhaven WWTP diversion

Diane,

Please let this serve to inform you that our operations staff diverted all of our wastewater flow to the Englewood Water District's treatment facilities yesterday in conformance with the Consent Order. The Sandalhaven WWTP is now permanently off line. We will begin dewatering the treatment plant today as we enter the decommissioning phase of the Consent Order. I will apprise you when that effort has been completed.

Please do not hesitate to contact me directly at 321/972-0359 or Mike Wilson at 321/972-0374 if you have any questions.

Regards,  
Patrick
