

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of arrangement to mitigate impact of unfavorable Cedar Bay power purchase obligation, by Florida Power & Light Company.

DOCKET NO. 150075-EI
ORDER NO. PSC-16-0050-CFO-EI
ISSUED: January 27, 2016

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR
CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 03963-15)

On June 26, 2015, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed a Request for Confidential Classification (Request) of certain information provided pursuant to its response to Commission Staff's Fifth Set of Interrogatories (No. 37) (Document No. 03963-15). This request was filed in Docket No. 150075-EI.

Request for Confidential Classification

FPL contends that the information provided in response to Commission Staff's Fifth Set of Interrogatories (No. 37), contains information of a confidential nature, which is proprietary confidential business information within the meaning of Section 366.093(3), F.S.

FPL contends that the information is proprietary and confidential business information within the meaning of Section 366.093(3), F.S. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Disclosure of this information would violate nondisclosure provisions of FPL's contracts with certain vendors and impair the efforts of FPL or its affiliates to contract for goods or services on favorable terms. This information is protected by Section 366.093(3)(d), F.S.

In addition, FPL contends that this information relates to competitive interests, the disclosure of which would impair the competitive business of FPL, its affiliates, or its vendors. Disclosure of this information would place FPL at a competitive disadvantage when coupled with other information that is publically available. Such information is protected pursuant to Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of

the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above appears to be information concerning contractual data and competitive interests, the disclosure of which would impair the competitive business of FPL or its affiliates or its vendors. Thus, the information identified in Document No. 03963-15 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Jimmy Patronis, as Prehearing Officer, that Florida Power & Light Company's Request for Confidential Classification of Document No. 03963-15 is granted. It is further

ORDERED that the information in Document No. 03963-15, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Jimmy Patronis, as Prehearing Officer, this 27th day
of January, 2016.
