You are absolutely right! Thank you for bringing this to my attention. The incorrect prog mod A20d has been corrected to reflect A20a. The prog mod A20f was already there though. Apologies for any confusion this may have caused!

Dorothy, the program module for this should be A20a, and if a second submodule can be added, A20f, since this is an ICA and an amendment.

Hi Jeff,

Per your request below, we have updated the docket title in Docket 150266, and added prog mod A20d.

Have a good afternoon.

Dorothy, please change the docket title for this filing to "Request for approval of interconnection, unbundling, resale, and collocation agreement, and one amendment, between BellSouth Telecommunications, LLC d/b/a AT&T Florida d/b/a AT&T Southeast and Barr Tell USA, Inc."

I think the program module information will need to be updated too.
