To all, we have been residents of IRS for 18 years. We have had to put up with terrible service from Vero Utilities(2 outages in last 30 days, 1 that shut Vero's water off for 3 days). We subsidize Vero's general fund for 2 million a year without the ability to vote in their elections. 20% of our residents are serviced by FPL a regulated utility. The Vero Beach utility cannot afford to provide sufficient funds to maintain our utility infrastructure. We desperately need the PSC to grant our request to expand our franchise agreement to allow FPL to service IRS. Thank you for your consideration.
