RE: Docket 160060 -- Complaint and Petition of the City of Cape Coral for an Investigation into the Rate Structure of Lee County Electric Cooperative, Inc.

Dear Ms. Stauffer:

The Florida Electric Cooperatives Association, Inc. (FECA) is the trade association for 15 electric distribution cooperatives in Florida. The issues in the above-referenced docket are of interest to FECA's members by potentially adversely changing the formula used to determine fair and reasonable rate structures. Therefore, FECA, on behalf of its member-distribution cooperatives, respectfully requests to be added to the interested parties list for this docket in order to receive all filings and other correspondence. Any pleadings, motions, notices, orders, or other documents can be sent to:
