Subject: Indian River Shores Petition

Good morning

We have been tax-paying residents of Indian River Shores for over 18 years.

The residents of our Town are forced to subsidize the operations of the City of Vero Beach, FL by paying exorbitant electric utility bills. This is a not so hidden tax; and is blatant example "taxation without representation".

We respectfully ask that you approve the our Town's request to be served by Florida Power & Light. Thank you.

Sincerely

Mary Alice and Joseph E. Smith
