**Subject:** Indian River Shores electric power service

Dear members of the Florida Public Service Commission (PSC):

As a resident of Indian River Shores, I am paying in excess of 30% more for my Vero Beach electrical power compared to rates offered by Florida Power and Light (FPL).

Vero Beach Utilities does not offer conservation plans or discounts to Indian River Shores customers on new appliances, as offered by FPL.

Indian River Shores homeowners have no representation regarding our utility concerns.

It is my understanding that FPL is "ready, willing and able" to provide our town with electrical service if the PSC allows it to do so. Please do so.

Thank you for your consideration.

Sincerely,

Francis G. Ziegler
