Subject: Vero Electric v. FPL

As a homeowner in Indian River Shores, I am paying in excess of 30% more for the Vero Beach electrical power compared to rates offered by FPL.

As a resident of Indian River Shores, Vero Beach Utilities does not offer conservation plans or discounts on new appliances as offered by FPL.

As a resident of Indian River Shores, homeowners do not have representation regarding their utility concerns.

It is also my understanding that Vero Electric has ignored a popular vote for this change. Can this be legal?
