RE: Docket No: 150259-GU Peoples Gas System Request for Confidential Classification

Upon review of Peoples Gas System's Request for Confidential Classification of Document No. 01645-16 filed in Docket 150259-GU, audit staff believes the request meets the requirements pursuant to Section §366.093, F.S. and Rule 25-22.006, F.A.C.

Specifically, audit staff concurs with Peoples Gas System that portions of the filed document should be kept confidential pursuant to §366.093(3)(b) and (d), F.S. The information includes reports of internal auditors and information concerning bids or other contractual data that would impair Peoples Gas System's efforts to contract goods or services on favorable terms.
