### CONSUMER COMMENTS

We do not feel that UIF should receive any Rate increase. They have done nothing to improve the quality of the water for over 10 yrs. yet we are expected to give them a rate increase so they can recover their losses because of our efforts to Conserve! We don't get a cost of living increase! Why should they? The water that runs into my laundry tub is yellow!! After going through the water softener and a filter, I still have to treat that before I can wash my clothes! Their own paper work warns against drinking the water! A Comparison: our Mich. Water <sup>bill</sup> for 6 months is \$280.95 our Fla. Bill - 3 months \$239.25 and we get to drink Mich Water
