#### CONSUMER COMMENTS

We have a right to fresh, clean water to consume for ourselves, our children and grandchildren. Our bathing, drinking needs need to be addressed as well as the care of our water heaters, dishwashers, and freezers with ice cube makers. We have a right to fair and reasonable rates, equal to those in Pasco County. I believe we owe the privileges of these needs were paid for <sup>by</sup> all the generations of men and women from the 1700's to the present for the time and ultimate sacrifice they made.
