To All:

As a resident of Indian River Shores,  
I am in favor of the Town's Petition for modification of the territorial order (Docket Number 160049).

I would like FPL to serve our entire Town's utility needs.  
At this time, Vero Beach is operating an unregulated monopoly in our town.  
As residents, we have no say in how rates are set or how the profits are distributed.  
Having FPL, whose rates are professionally and neutrally regulated by the PSC, as the single electric utility provider in our Town would be the best solution for all residents.

The last time the PSC reviewed the territorial agreement was over 28 years ago.  
Please take time to review again and allow FPL to serve our Town.

Sincerely,

Kathleen S. Poole
