Subject: DEF motion for extension of confidential classification_docket no. 150009

Good afternoon Kyesha –

On 11/2/15, DEF filed a motion to extend confidential classification which requested an extension for a period of 5 years. See document number 06978-15, in docket number 150009. After discussions with staff, I understand those documents are scheduled to be returned to DEF within 18 months, and therefore a standard 18 month extension will be sufficient. Please consider this email a modification of our request.

Please don't hesitate to contact me with any questions. Thanks, Matt
