RE:Docket No. 150269-WS

I could not attend a recent meeting held at SummerTree community in New Port Richey concerning the water quality and rates and would like my voice to be counted.

I recently had guests stay in my home. The water odor caused my guests to gag and have headaches which happens to me also often. This is embarrassing. It is unhealthy and unacceptable to live like this and pay high rates for a service that is unacceptable.

Thanks for your time,

Nina Ward
