You are very welcome, Debbie. I was glad to help.

That's interesting though. I'll add that to my list of questions to ask if anyone else has a similar problem in the future. ☺

Thank you for that information.

Hi Dorothy,

I did receive the emails. Andy changed my browser from firefox to internet explorer. He thinks there might have been a problem with firefox. Hopefully that is fixed.

Thank you for your patience,  
Debbie

**Subject:** Utility E-Filing

Hi Dorothy,

I left you a voicemail about a utility filing. St. Joe Natural Gas Company said it filed its True-Up testimony in 160003/4-GU last week on April 27, 2016, but the filings are not in the docket file. I talked to Debbie Stitt at St. Joe and asked if she got an email confirmation of the filings and she said no. So, she tried to file them again electronically in the dockets this morning but still has not gotten an email confirmation and nothing is showing in the docket files. St. Joe is a very small utility and other than the -03/04 dockets it rarely deals with the Commission.

Could you please look into whether the filings are hanging out there in limbo? Would you also please contact her to let her know if the filings are in the portal somewhere and/or see if she is doing wrong when she is filing the docs?

Debbie Stitt – St. Joe Natural Gas  
850-229-8216 Ext. 2015

I have a briefing at 2:00p but I will give you a call when I am done.

Thanks!  
Kelley

Did you get an email with a document ID number after you submitted the filings? If you did not get an email with a document ID number confirming the filing, then the documents were not filed. If you did an email, can you please forward them to me so I can have our clerk's office track down the filings?

Hi Debbie,

I did not see St. Joe's testimony come in yesterday in Docket Nos. 160003-GU or 160004-GU. Did the company mail file the testimony electronically yesterday or did you mail filings?

Thanks!  
Kelley
