Good morning Rick, do you still work with "Gas Safety", if not, could you direct me to who does. What I am trying to find out is, if Clearwater Gas System has changed their name to City of Clearwater d/b/a Clearwater Gas System and did not notify us of the change. Why I am asking, order PSC-16-0201-PAA-GU was issued yesterday and it lists their name as **City of Clearwater d/b/a Clearwater Gas System**. If they have changed their name, I need to update their record in MCD. I do know that the "gas safety" does not have to have a change of name acknowledged by us, but they are to advise when they do change it. Questions, you can call me at the number listed below. Thanks for your help and have a nice weekend.
