pbx-change is a registered fictitious name for TampaBay DSL Inc. They are the same entity. See here: <http://www.sunbiz.org/scripts/ficidet.exe?action=DETREG&docnum=G06297900239&rdocnum=G06297900239> I should have listed pbx-change as a fictitious name in response to #3 on the application. Apologies for the confusion and please let me know if I should file in errata in the docket.
