With the amount of profit that is already in play - I find it very difficult to fathom an increase which translates higher taxes for us to pay you more profit. Further more you're a cheat; because you stacked the deck with pre-approved and practiced responses. Also I lost power twice in the last month and I'm sure I will not get compensation.

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.
