CONSUMER COMMENTS
PLEASE DO NOT ALLOW FPL RISE IT'S
RATES. THEY HAVE ENJOYED A LONG PERIOD OF LOW
FUEL PRICES, THEIR CEO, AND OTHER EXECUTIVES
MAKE VERY GOOD MONEY, AND THEIR SHARE HOLDERS ARE
DOING VERY WELL IN THE MARKET. THE MIDDLE CLASS
AND THE POOR CAN'T ABSORBE THIS PRICE HIKE.
PLEASE DENY THIS PETITION FOR RATE
INCREASE.

Subject: Proposed FPL rate hike.

You are going to put a real burden on Social "Insecurity" recipients, by allowing FPL to raise their rates again. 44 cents a day is a significant amount to many people who are on fixed incomes and struggling to keep up with inflation rates. This is compounded by a government who gives themselves pay raises and refuse to do the same for its older citizens. Please have some compassion and put yourselves in our "shoes". We cannot find any other places to cut back. I can now understand why some older retirees have resorted to eating dog food in order to survive.

Many of Florida's retirees are good hearted Christians who worked hard and paid their taxes. Why is it that God's people seem to get hurt the most by decisions that are made by a handful of people who don't seem to care about the mental and physical pressure that their vote can cause?

Please give us a break.

Thank you for considering our needs.
