Palmetto Bay, FL 33158

**docket number 160021-E1**

FPL's rate increase is a disgrace to elderly people and folks whose income is below poverty level.

I always regarded FPL as an ethical company, I see now that I was wrong.

Their rate increase is solely to serve themselves to large profits and distribution of wealth between themselves.

Please stop this increase and the monopoly of energy in Florida.

Dominique Dekindt
