Subject: FPL rate hike-Please NO

Docket# 160021-E1

Please do not allow another rate hike by FPL.

They received a rate hike approval when gas prices went through the roof. When gas prices came down no decrease in their rates was ever even brought up.

If rates go up for FPL, I will not be able to afford power for my family and end up in the cycle of power turn offs and extra deposit due again. We are just barely making our utility bill payments now. Another rate hike will sink us. Food or power will again become a decision I don't want to have to make for my family.

Please don't allow another rate hike by one of the most profitable companies in Florida.

Sincerely,
Angela Chamblin
