Subject: FPL Rate Increase

In regards to the FPL rate hike, I strongly oppose it. We, as Florida residents, have no option of investing in any other power company, we have no say in how many millions of dollars they pay their C-Suite executives, and we have no accurate accounting for the full scale of political contributions they make each year to influence those in powers to keep FPL in its unchallenged, powerful position in this state.

Sincerely,
Mary Anstine
