To whom it may concern,
My name is Gregory Plagmann. I get FPL service at 3492 Hyperion Way SE, Palm Bay, FL 32909.

docket number 160021-E1

A 23% increase in base rate is out of line. I am not sure any increase in the base is justified. Increasing documented costs into electric use rates is all that you should consider, especially over 1000 kwh per month users.

Sincerely,
Gregory Plagmann
