Dear Ms. Stauffer:

Please convey our disapproval of the proposed FP&L rate increase to the powers that be on the Florida Public Service Commission (FPSC). We are ardent supporters of AARP and agree with their reasoning for why the FPSC should disallow FP&L's request for an increase of \$1.34 billion in base rates. When the FPSC considers FP&L's rate increase, please keep in mind that their profits come at our expense, and that includes the senior community, many of whom are having a very hard time of it.

Sincerely,

James & Karen DiNovo
