FPL RATE INCREASE

Selena Davis
370 NW 46 Avenue, Plantation, Fl. 33317
Docket Number 160021-E1

To The Public Service Commission Clerk :

This is very unfair to FPL consumers. My senior mother is on a fixed income and it is really hard for her to maintain her living expenses because her living expenses already exceed her limited income. I help out when I'm able to, but I have my own family to take care of as well. So, if FPL is approved for the rate increase, I don't know how I'm going to be able to provide for my mom and my family too. You can't forget about the people and families who are still going through financial difficulties and hardships. Everyone wasn't able to bounce back from the Economic Depression. We are still struggling everyday and I want to know **WHO WILL BE THE VOICE FOR THE LESS FORTUNATE SOCIETY?**

Sincerel,

Selena Davis
