To the office of Commission Clerk:

This is in reference to docket 160021-EI.

Please allow for us, the tax payers of the SUNSHINE STATE, the opportunity to harness the advantage of solar power.

A monopoly on energy is no longer sustainable especially when profits go to coffers outside our borders. Bringing competition to the energy sector will mean more jobs, more tax revenue.

Thank you.
Jose Enrique Tocasuche
2160 SW 17 street
Miami, FL
