Robert Carney, 422 SW 29th Ave, Delray Beach, Florida 33445

Please do not approve this rate increase. FPL is asking for money to get more profit for their shareholders that are out of state. We have seniors that cannot afford to buy their medication, and this rate increase that will break the least wealthy among us. 23 percent is an outrageous amount for Floridians to give a way and get nothing more in return. Please do not give into this corporate greed.
