Subject: RE: FPL Rate Increase

I oppose the upcoming request for a rate increase for several reasons - the main being

When is enough profit enough ?

Every business is entitled to make money, but I don't have have a profit in the billions and I do not want FPL to increase my rates to get even more. It is tough to make ends meet and I pay a lot of money to them. Don't force me from my home because I can no longer afford to pay my electric.

Thank you
