**Subject:** FPL rate Increase

There is NO way that FPL should get an Rate increase! With cost of energy to FPL is down around 50% if not higher , how in the world do they justify raising rates to the public? If they need more \$\$\$\$ , let FPL do it by cutting internal expenses!!! Greed does not JUSTIFY FPL lining their POCKETS with more \$\$\$\$\$\$ from the Citizens of Florida! We are already paying some of the highest energy rates in the Country. There needs to an Accountability and a Justification for this increase and it's PSC's responsibility to do just that!

Thank you for allowing me to speak out,
