CONSUMER COMMENTS	
Please excuse my handwriting. I have arthritis and tremors. I am concerned about the increase.	
I was informed, about the problems my neighbors have had, no show, maybe this rate is just not fair. 18% to 37% - no social security increase.	
My husband died March 2015 and for the I did not pay taxes.	
I also was our manager that your commission might some of increase repair.	
We saw what they dug up - you could put your finger thru it. Plans and monies have already been secured. The millions we pay up will des	
a much needed road program. Work with us
