Re: Docket No. 160095-SU - Application for amendment of Certificate No. 164-S to extend territory in Duval County by Commercial Utilities/A Division of Grace & Company, Inc.

Dear Mr. Adams:

Staff reviewed Document No. 06218-16, Notice of Filing of Revised Description of Territory Served, filed on behalf of Commercial Utilities/A Division of Grace & Company, Inc. (Utility) on August 8, 2016. The description relied, in part, on references to government lots, recorded plats or lots, tracts, or other recorded instruments, which is prohibited by Rule 25-30.029(2)(b), Florida Administrative Code (F.A.C.).

Additionally, the portion of the description that should have been identical to the Commission-approved existing territory had been changed. The Commission-approved existing territory description can be found on pages 9 through 12 of Order No. PSC-11-0254-FOF-SU, issued on June 13, 2011, in Docket No. 100398-SU, under the heading "Composite Wastewater Territory."

Please revise the Utility's composite wastewater service territory description, ensuring that it is consistent with the Commission-approved existing territory description and in compliance with all requirements of Rules 25-30.036(2)(f), and 25-30.029, F.A.C. Submit the resulting territory description to the Office of Commission Clerk, 2540 Shumard Oak Blvd., Tallahassee, Fl 32399-0850 by August 19, 2016.

If you have any questions, please contact me by telephone at (850) 413-6952 or by email at mwatts@psc.state.fl.us.
