ORDER NO. PSC-16-0326-CFO-EI  
ISSUED: August 11, 2016

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S FOURTH  
REQUEST FOR CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 04446-16)

On July 11, 2016, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed a request for confidential classification for a portion of Office of Public Counsel's First Request for Production of Documents No. 2, specifically the work papers in the file labeled "100 percent CONFIDENTIAL – Exhs. JJR-3, 4, 6, 7, 8, 9.xls" (Document No. 04446-16).

Request for Confidential Classification

FPL contends that information contained in its work papers labeled "100 percent CONFIDENTIAL – Exhs. JJR-3, 4, 6, 7, 8, 9.xls" constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. FPL asserts that this information is intended to be and is treated by FPL as private and has not been publicly disclosed.

The information for which FPL seeks confidentiality consists of electric sales and non-fuel operation and maintenance expense data for FPL as well as other electric operating companies both inside and outside of Florida used to develop witness Reed's Exhibits Nos. 3, 4, 6, 7, 8, and 9. FPL has requested that this information be granted confidentiality for a period of 18 months and returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business.

Ruling

Section 366.093(1), F.S., provides that records that the Commission has found to contain proprietary confidential business information shall be kept confidential and shall be exempt from

Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and that has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides, in pertinent part, that proprietary confidential business information includes, but is not limited to:

- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears that the above-referenced information satisfies the criteria set forth in Section 366.093(3)(b), F.S., for classification as proprietary confidential business information. The information at issue consists of electric sales and non-fuel operation and maintenance expense data that if disclosed could be used to develop electric sales profiles with the potential to negatively impact the ability of FPL to secure services at the lowest possible prices. Thus, the information identified in Document No. 04446-16 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Lisa Polak Edgar, as Prehearing Officer, that Florida Power & Light Company's Request for Confidential Classification of Document No. 04446-16 is granted, as set forth herein. It is further

ORDERED that the information in Document No.04446-16, for which confidential classification has been granted, shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Lisa Polak Edgar, as Prehearing Officer, this 11th day of August, 2016.
